R&D EXPERTISE
Mr. Bhim B
Shrestha's 44 years of
Research and
Experience Since
1982.

Quality electroplating is not just a service; it is a science. At our Burrabazar facility, we combine 30+ years of heritage with modern precision to offer the industry's most reliable finishing.

From high-durability Micro Gold to the brilliant white of Premium Rhodium, our processes are designed to enhance the value of your craftsmanship. We don't just plate jewelry; we protect your brand's promise to the customer.
